In the Matter of the Application of SOUTHERN CALIFORNIA EDISON COMPANY (U 338-E) for Expedited Approval of Servicing Agreement between State of California Department of Water Resources and Southern California Edison Company Pursuant to Chapter 4 of the Statutes of 2001 (Assembly Bill 1 of the First 2001-2002 Extraordinary Session).

Application 01-06-044
(Filed June 25, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING
NOTIFYING PARTIES OF THE TIME IN WHICH TO RESPOND
TO THE MODIFICATION OF THE SERVICING AGREEMENT**

In Decision (D.) 02-09-053, the Commission ordered Southern California Edison Company (SCE), San Diego Gas & Electric Company (SDG&E), and Pacific Gas and Electric Company (PG&E), to assume on January 1, 2003, all of the operational, dispatch and administrative functions for the power purchase contracts that the California Department of Water Resources (DWR) had entered into. The decision also allocated the DWR contracts to the resource portfolios of these three electric utilities.

D.02-09-053 also directed that the "Servicing Arrangements between DWR and the utilities shall be altered to reflect the new operational arrangements under [the] contract allocation that we adopt today." The decision also directed DWR to "negotiate with SCE and SDG&E appropriate modifications to their respective Servicing Agreements and DWR shall request of us appropriate modifications to the Servicing Order governing PG&E. (D.02-09-053, p. 70.) The

proposed modifications were to be submitted by October 1, 2002. Comments on the modifications to the Servicing Agreements of SDG&E and SCE and to PG&E's Servicing Order are due by October 11 and reply comments are due by October 16, 2002.

PG&E, SCE and SDG&E all requested an extension of time for submitting the proposed modifications. The Commission's Executive Director, in a letter dated September 27, 2002, granted a one-week extension, to October 8, 2002, for submission of the modifications to the utilities' respective servicing arrangement documents.

On October 8, 2002, DWR transmitted to the service list a memorandum from Peter Garris of DWR in response to D.02-09-053, along with the proposed modifications to the existing servicing arrangements in Application (A.) 01-06-039, A.01-06-044, and A.00-11-038 et al. The proposed modifications to SCE's Servicing Agreement is labeled as "2003 Servicing Agreement Between State of California Department of Water Resources and Southern California Edison Company."

Due to the one-week extension by the Executive Director, the time for submitting comments on the proposed modifications to SCE's Servicing Agreement, and for submitting reply comments, should be extended by one-week as well. Thus, the comments on the proposed modifications to SCE's Servicing Agreement shall be due by October 19, 2002, and the reply comments shall be due by October 23, 2002.

IT IS RULED that due to the one-week extension granted in the Executive Director's letter of September 27, 2002, interested parties may submit comments on the proposed modifications to Southern California Edison Company's

Servicing Agreement, and reply comments, by October 18, 2002 and October 23, 2002, respectively.

Dated October 10, 2002, at San Francisco, California.
